The pedigree chart illustrates a family tree with the following structure:

- Generation I:** A single individual (black circle) is the root of the tree.
- Generation II:** The root has three children: A10 (male, black circle), A15 (female, white circle), and A4 (male, black circle).
- Generation III:**
 - A10 has two children: ① 昭和 (male, black circle) and ② 下六人部 (female, white circle).
 - A15 has two children: ③ 惇明 B (male, black circle) and ④ 惇明 A (female, white circle).
 - A4 has two children: ⑤ 修斉 (male, black circle) and ⑥ 大正 (female, white circle).
- Generation IV:**
 - ① 昭和 has one child: A6 (male, black circle).
 - ② 下六人部 has one child: (female, white circle).
 - ③ 惇明 B has one child: (male, black circle).
 - ④ 惇明 A has one child: B10 (male, black circle).
 - ⑤ 修斉 has one child: (female, white circle).
 - ⑥ 大正 has one child: (male, black circle).

Red lines highlight the path from the root to the individual labeled A6.
